LEAGUE FORM BEING DRAFTED BY AMERICANS

President Expects to Have It Ready for Interallied Council Tuesday.

Provides for Association of Nations and Avoids Constitutional Amendment.

By LAURENCE HILLS.

Staff Correspondent of THE SUN. Copyright, 1919; all rights reserved. Paris, Jan. 10 .- By direction of the President the American Commission finally got down to work to-day in drawing the actual formula for a league of nations, to be presented as the American plan to the interallied conference which is likely to begin not later than Tuesday. The President will ask that the problem of the league be taken up after the HAS INFORMED ORLANDO MAY PREVENT REFORMS patch to the Matin. onestion of representation has been

This may bring out the first differences of opinion, although the indications now are that the British will support the President, and modifications noted recently in the French viewpoint render the success of the Wilson plan more probable.
